DELTADECK®

PRODUCT INFORMATION

The **DELTA**DECK® low level work platform is an innovative work at height solution, ideal for those needing flexibility when working at heights of 3m and below. Compact dimensions allow easy transportation and storage (the **DELTA**DECK® can be transported in the boot of most cars). Lightweight and simple to assemble and dismantle, the **DELTA**DECK® can be accessed from either end of the platform. Full and correct height guardrails are automatically erected at all platform height settings.
