BOSS®

The most compact & lightest[†], low-level podium in the UK.

Designed and manufactured in the UK, the **BoSS Pod²** is built for ease of use, featuring a foldable system that is easy to transport and store. With pivoting stabilisers and an integral ladder for easy access to the platform, this lightweight, sturdy unit provides ultimate 360° safety with its auto-closing safety gate and guardrail.

Its compact footprint allows for efficient use in tight spaces, while the durable aluminium construction ensures long-lasting performance.

Toe Board Kit
available as an
optional extra
(32000900)

[†]Against top two market leaders in the UK;
compactness = l + w + h (when folded),
lightest = overall product weight.

Product Code	Product Name	Platform Size (mm)	Platform Height (m)	Safe Working Height* (m)	Max. Load (kg)	Product Weight (kg)
32051000	Pod ² 1000	550 x 590	0.95	2.95	150	28

Optional Extra

Product Code	Product Name	Platform Size (mm)	Product Weight (kg)
32000900	Pod ² Toe Board Kit	500 x 555	3.1

*Based on a 2m height and reach of a person whilst standing on the platform.
