

Decking Products

Engineered to simplify the building of decks and garden structures, our range of post bases, clips, brackets, hangers, and connectors provides not only aesthetically pleasing connections but also robust support for timber posts. These components are constructed from welded heavy-duty mild steel and undergo powder coating after fabrication for added durability.

Product

DC/L 'L' Bracket

Manufactured from 2.5mm thick galvanised steel, powder coated after fabrication for superior dual coated corrosion protection.
